Christian education is by its very nature holistic, in that it cares for the totality of a student’s development. Mind, spirit, and soul are all the priorities of a Christ-centered educational experience. It is the goal of Westfair Christian Academy to provide these areas of development with the proper curricular offerings and to integrate the lordship of Christ in all areas, including service. If that is done, we can lay down a strong foundation for life.

Service is an opportunity to discover something about your self. It is allowing you to offer your time and talents as a gift to others and to proclaim the Good News of Jesus Christ.

Westfair Christian Academy requires 30 hours of service annually: A minimum of **eighteen hours** must be applied to the community/civic service, and **twelve hours** may be applied to school or church-related activities. This must be done each year to graduate from WCA.

This program is designed to expand your horizons in ministries that are not school-sponsored and to help you achieve your full, God-given potential. We pray that you will look back on these experiences and realize the importance of living out your faith in a challenging and demanding world. *You are our hope for the future!*
